NEW TOW HOOK FROM LYNX

COMPATIBLE WITH T6 AND T7 MODELS

Here's an offer that you and your customers won't want to miss. Our new aftermarket tow hook for New Holland model ranges T6 and T7 retails at just £290.00. That's more than £235 less than its OEM equivalent (current RRP £525.36*).

What's more, there's no difference in looks or quality. The tow hook is manufactured to the same exacting standards and the same capacities as the factory fitted equivalent..

- Rated to D value of 100kN and S value of 3T
- Compatible with Sauermann hitches
- Available now for immediate dispatch
- Limited period offer - while stocks last

Type Approval No.
e1 00789 ND
